Allentown Memorial Day Parade: The Lions Club has invited us back to participate in the 2026 Allentown Memorial Day Parade on May 25th. We, as a club, should plan on arriving at 9:30 am at our previous staging point – the Allentown Auto Body Shop on Main Street.

2026 Scholarship Program: Brookdale Community College has sent four scholarship applications to the club for review. Doug will send these applications to the club officers and present each applicant to the club membership at the April meeting. Doug also plans to talk with Automotive Tech Professor George Poosikian to learn more about the candidates prior to our April meeting.

MCCC Display and Facility Tour: Doug is setting up a club display and facility tour with Jason Evans, the Automotive Technology Program Coordinator. Most of the attendees will be able to stage their classic cars on the shop's centerline, and overflow cars just outside of the shop. The display is being scheduled on a school day to maximize student – member interaction. A tentative date for this event is April 22nd at 11:00 am. Lunch is NOT on the menu.

Crosswicks Communications: Folks in Crosswicks have initiated discussions to involve our club to participate with Crosswicks in their 250th year celebrations parade and car display. I will provide additional details when available. Our club was also contacted with a request to remove our storage locker from the kitchen of the community house. We are now looking for a volunteer to find a new home for our cabinet.

Joe Bartzak made a motion to adjourn our meeting at 7:50 pm and Carl Christiansen seconded the motion.
