New Business

Scholarship Program: Doug received two scholarship applications from Brookdale Community College. Doug contacted the scholarship liaison with Brookdale, Professor George Poosikian. George is an instructor in the Automotive Technology Program at Brookdale. During the telephone conversation, George noted that both scholarship applicants, Bishes Mukherjee and Steven Malo were students in his classes, as well as an extra-curricular car restoration project. George spoke highly of both.

Prior to our meeting, the scholarship essays were distributed to the club officers. Multiple copies of their essays were distributed to the membership attending the meeting as well.

At our membership meeting, Doug introduced the two candidates to the club, noting that both candidates had applications of equal merit, and it would be up to the club membership to select the awardee of our scholarship. A lively discussion ensued. At the end of the discussion, the club voted unanimously to select Bishes Mulherjee as the 2025 scholarship awardee.

Cream Ridge Winery: Craig Kunz is going to visit the Cream Ridge Winery to see if he can identify the contact person that we can work with to establish he dates of the 2025 display schedule.

Jimmy Spence made a motion to adjourn our meeting at 7:40 pm and Tim Kuser seconded the motion.
