Old Business

The June **cruise to TK's** was a great success. Sunny skies and warm temperatures brought out over 40 cars to our cruise. TK's also had a great evening, with the line of customers extending beyond the flagpole.

Our cruise to the **Cream Ridge Winery** on July 1st had a light turnout owing to iffy weather. We displayed 6 – 8 cars.

The **Walnford display on June 25th** was a huge success. 29 pre-WWII cars participated in the event. Some of the participants travelled great distances (from Long Island) and some participants made a mini vacation out of the event. A small number of distinguished judges presented awards to the participants, including AACA President Wayne Tuck.

New Business

TK's Cruise / Scholarship Award: Our next TK Cruise is scheduled for July 15th. We have a good weather forecast, so let's cruise over there and have another great evening! Also keep in mind, the Mercer County Community College scholarship ceremony begins at 6:00 pm. Jimmy has made an over-sized check for the \$1000. award, so the "wow" factor should be appreciated.

Walnford: Carl has scheduled next year's Walnford display is scheduled for June 24, 2023. There are discussions about the possibility of adding a second Walnford display for cars built before the end of 1973. The Club will respond to this request during the August meeting.

Cream Ridge Winery: Our Club has one more confirmed cruise night with Cream Ridge Winery:

- Friday August 12, 4:30 – 8:00 pm

We will stage the display cars in front of the winery, facing CR-539. John talked with the folks at the winery about the names of the food truck vendors that have previously been at the winery, hoping that our Club can get them to join us during our cruise nights.

Flyers publicizing the Cream Ridge Winery cruise nights will note that the winery has a rule that no outside alcohol is allowed on the winery grounds. All coolers brought on-site by the participants are subject to search by the winery staff.

Tim Kuser made a motion to adjourn our meeting at 7:40 pm, which was seconded by Carl Christiansen.
