Old Business

The August **cruise to TK's** was a great success. Sunny skies and warm temperatures brought out over 60 cars to our cruise. At 6 p.m., we conducted the Brookdale Community College scholarship award ceremony. Doug noted that the reason that our club provides scholarships to deserving students in automotive technology programs is to promote the collector car hobby into the future. Doug then spoke about the two automotive technology programs at Brookdale, and then introduced Ryan Marlowe, the Liaison of the Automotive Technology Program and an Auto Tech at Brookdale. Ryan provided additional details about the automotive program at Brookdale, and details about our scholarship awardee Emma Brooke. Doug then provided details of criteria used to select the scholarship awardee and introduced Emma. Emma spoke about her future plans, and Jimmy Spence presented an oversized check to Emma, symbolizing the scholarship award.

Our August 12th **Cream Ridge Winery Cruise** was attended by at least 30 cars. The owners of the winery were very happy with our club's cruises this year and expressed interest in continuing the cruise events into the 2023 calendar year.

New Business

TK's Cruise / Scholarship Award: Our next TK Cruise is scheduled for September 16th. Also keep in mind, the Mercer County Community College scholarship ceremony begins at 6:00 pm. Jimmy has made an over-sized check for the \$1000. award, so the "wow" factor should be appreciated.

Second Walnford 2022: Bob Horner has volunteered to plan the second Walnford display for cars built before the end of 1973. Carl and Bob have met to co-ordinate existing plans and develop event specific plans. The recommended donation amount for participant registration is \$10, and all proceeds will benefit the club's scholarship program. Bob has made the flyer and is making this a non-judged event. Bob is working with National to get the insurance certificate in place.

Bob has contacted Walnford that he will be the event planner, and that the event is scheduled for October 22, 2022.

Carl Christiansen made a motion to adjourn our meeting at 7:35 pm, which was seconded by Jimmy Spence.
